

# Student Agreement (Grades 1-5)

## Use of Computers, Software, Equipment and Access Information

Student's Full Name: \_\_\_\_\_

1. I will be assigned a computer for the educational use that only my teachers, or I will access throughout the school year.
2. I will only use software my teacher has granted me the right to use.
3. I will only visit websites that have been assigned by my teacher for the educational purposes.
4. I will physically handle my computer with care. On the first day of school, I will be instructed on proper handling of my computer. If a problem arises with the functioning of my computer, due to deliberate mishandling (slamming, dropping, improper stacking), I may be asked to help with the repair costs.
5. I will not eat around my computer. I understand that I may drink only water during class time; however, water will only be allowed in a sturdy, covered, closeable, and non-disposable water bottle. I will take care not to spill water on or around my computer.
6. I agree not to use UPA computer equipment, software, or programs for any purpose other than that for which it was originally intended.
7. I agree not to copy, modify, or transfer any computer information or materials including items obtained via the internet, that I did not create without the express written consent of the original owner or copyright holder.
8. I agree not to use UPA computers, software, systems, programs, products and documents to violate the terms of any software license agreement or any applicable local, state or federal laws.
9. I understand that any violation of this agreement will require a conference with parent, student and teacher and may result in disciplinary action.
10. I understand that this agreement shall remain in force as long as I use the computer equipment, software, systems and/or programs at UPA.
