

Service Hours Opportunities

1. GoPantry

<https://www.gopantry.org/>

Since 2012 GO Pantry has been helping feed local kids in need. Summer Break is especially daunting for many kids in our community. There are kids in every school who rely on the Free & Reduced Lunch Program for meals during the school year. When school ends, so does their primary food source. With your help, GO Pantry is able to provide emergency food relief to local students who might otherwise go without. Your food boxes will go to kids identified by their schools in Boone, Kenton, Campbell, Grant and Dearborn counties.

2. Master Provisions

<https://www.masterprovisions.org/serve>

Master Provisions partners with local soup kitchens, shelters, food pantries, churches, and school programs. Our partners schedule appointments to come to our food center to shop for resources. The food we distribute is a mix of fruits, vegetables, bakery items, snack items, frozen items and canned goods. We receive surplus food donated by area wholesalers, allowing us to reduce food waste. Since 2014, we've distributed over 22 million pounds of food into the community.
