

# 1st Quarter Provisional Review

Student's Full Name: \_\_\_\_\_

All new students attending Union Pointe Academy will be subject to a 1st Quarter provisional review.

UPA believes it to be in the best interest of our students and school to give a 1st Quarter period of transition. At the end of the 1st Quarter parents, teachers and/or administration will meet to discuss the student, his/her progress and areas of concern or excellence.

If on the occasion it is decided by UPA administration that our school is not the right fit for your student or is unable to serve the needs of your student or in the case that a parent(s) believes this to be true, then we will respectfully ask the student to unenroll from UPA.

I understand that my student will be attending Union Pointe Academy on a 1st Quarter provisional trial period. I have read the above statement and agree to adhere to it.
